

## Who we are

---

**LVC Logistics** is the latest addition to Long View Corporation EcoPack (LVC) in logistics operations, which offers warehousing, land trucking, haulage and L.C.L Services now.

Established since 2000 as a design house in Malaysia, Long View Corporation EcoPack (LVC) is now ready to expand further to offer customers better service, with the network through northern region (Thailand and Penang), central region ( Kuala Lumpur) and southern region ( Johor & Singapore).

Our core value prioritises long term partnership with business associates (both supplier and customer). We ensure our products are excellent in quality and fulfil RoHS requirement for EcoPack to gain wider market share. Value for **LVC Logistics** is always proven through quick response with competitive cost. We grow with our customers and assist them to expand further in the market.

---
